

Facts About Greece

Where in the world is Greece?

Greece is a country in the south-east of Europe. It has borders with four other countries: Macedonia, Bulgaria, Turkey and Albania.

Greece has a very long coastline, with over 2000 islands and rocky outcrops. The Aegean, Ionian and Mediterranean Seas flow around the islands, the largest of which is Crete. Being beside the sea makes Greece a popular holiday destination.

What is the weather like in Greece?

Most people consider Greece to be a summer holiday destination, although there are also popular ski resorts in the mountainous regions to the north of Athens. Greece has hot, dry summers and mild, rainy winters. Because of the sunny climate, more than 25 million tourists visit Greece each year!

What is the capital city of Greece?

The capital city of Greece is Athens. Athens is one of the oldest cities in Europe, having been established more than 7000 years ago. It is said to be the birthplace of democracy and is named after the Ancient Greek goddess Athena.
